

# Can You Guess What It Is?

## **HOUSE**

1. Draw a large square
2. Inside the square draw a small square towards one corner
3. Repeat this for the second third and fourth corners
4. Draw a vertical oblong inside the middle bottom of the square
5. Draw a pyramid shape on top of the square, covering the length of this
6. Colour the pyramid red
7. WHAT DO YOU THINK IT IS?

## **BOAT**

1. Draw an upside down roof shape
2. In the middle draw a line going straight up
3. On that line draw a large sideways triangle
4. WHAT DO YOU THINK IT IS?

## **HOT AIR BALLOON**

1. Draw a large shape like a traditional light bulb
2. From the bottom of the shape draw 2 straight lines going downwards
3. Then draw a box shape and attach to the lines
4. WHAT DO YOU THINK IT IS?

## **BUMBLE BEE**

1. Draw an oval shape
2. Inside the oval shape draw 3 stripes
3. Draw a circle on one end of the oval
4. Draw 2 small lines going up from the top of the circle
5. WHAT DO YOU THINK IT IS?
