My Week in Colour

(Sample, although memories and thoughts are all real)

MONDAY: Yellow
As I was born on a Monday and a Monday's Child is fair of face and makes me feel sunny and bright

TUESDAY: Red

A Tuesday always seems so far away from the weekend and this reflects my mood and things always seem to then happen and go wrong on a Tuesday

WEDNESDAY: Yellow

Just because Wednesday always sounds like a happy sunny day

THURSDAY: Green

As this makes me think of going shopping, as Thursdays are always late night shopping and the shopping centre I go to is coloured green

FRIDAY: Yellow

Again as it is such a happy colour and I always get a great happy feeling that it is so nearly the weekend

SATURDAY: Green

Again, but I usually go for walks on a Saturday to a nice park or gardens so it always reminds me of doing this

SUNDAY: Orange

As I feel all warm and cosy on a Sunday, as I remember Sunday tea times with my mum, settling down to watch an Old Movie having a cup of tea and a toasted Chelsea Bun, yum
